How it works...

This menu has been put together to provide options for those struggling with food insecurity and for those in the community who want to help. Also, please consider a tax-exempt donation.

1. If you can't afford food, please call us and place an order for yourself and/or for your family (or neighbor) for several days' worth of meals (up to 7 days) and schedule a pick up time.\*\*
2. If you represent an organization that hosts single meals (a single entree choice) for groups of people, please place your order as early as you can, and schedule a pick-up time.
3. If you represent an organization that provides varied meals (a mix of entrees) for individuals or families, please place your order as early as you can, and schedule a pick-up time.

\*\*If you unexpectedly find yourself and/or your loved ones without food for even a single day, please call us. We will let you know what we have available already.

**NOTE: Delivery is an option when a driver is available. Please ask when you call.**
